STORY

Tatsuya is a second year high school student whose tutor, and subsequently his father's subordinant, tells him "I'm in love with you," and suddenly kisses him! Since then even as he repels Saejima, Tatsuya is hyper-aware of him, but Saejima is constantly joking around and Tatsuya doesn't know how far he's being serious. Why is it that the mature looks on Saejima's face make Tatsuya's heart throb, and fuel every touch?! The cute, slightly sinful, collection of stories

Tatsuya Fujii
B-Type / High School Year 2-3/166cm
Surprisingly, he ended up looking like Yanuk... Actually, I want him to be B-type, but he became type-O. Somehow, he became a character that I keep thinking about
Minato Saejima
A-Type / 27 Years old/175cm
I wanted him to become a major S with a hard character, but he became a gentle M instead. I wanted him to look cool at the end, but I didn't work out.
Character Introductions 01
Tetsuo Yano
O-Type / High School Year 3/171cm
He was supposed to have a grim opening with a suppressed feeling, but incidentally it was good that his face and head turned out this way.
Atsushi Kuroda
AB-Type / High school year 2/180cm
I'm sorry for the hard outlook yet shy. Rather I might have wanted the perm to be missed. His club in middle school was the track club with Tatsuya.

Character Introductions 02

Matsunaga Koutarou

O-Type/High school year 3/176cm

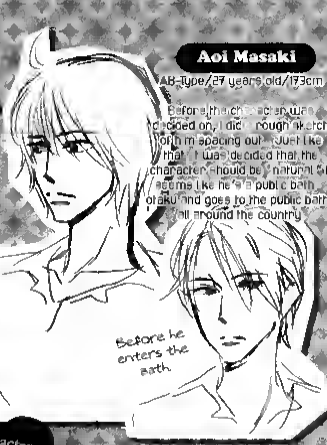
You can see that this rough sketch is the most well-done one. Even though he's a pretty well done character I wanted him to be a normal kid.

Aoi Masaki

AB-Type/27 years old/173cm

Before the character was decided on, I did rough sketch of him spacing out. "Just like that." I was decided that the character should be natural. It became like he's a public bath otaku and goes to the public baths all around the country.

Before he enters the bath.



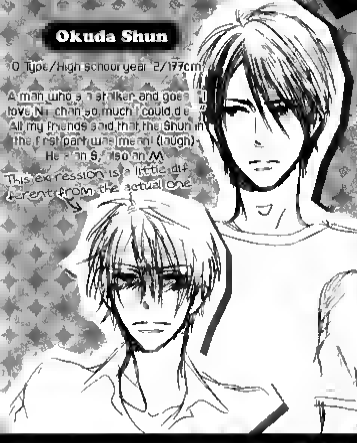
Okuda Shun

O Type/High school year 2/177cm

A man who is a talker and goes by love. No change much I could do. All my friends said that the Shun in the first part was mean (laugh).

He is 8, 190 in M

This expression is a little different from the actual one.



Okuda Kazukiyo

A Type/High school year 3/168cm

I wanted him to be more "I don't Well, more of an airhead, but it was kinda mean, so he became a little stupid.

Initially he was something like this.

EEH, 2 POINTS

③『HOW DO YOU THINK IFEEL』(鳥!!)
これは①に出てきたカテゴリというキャラの主人公がお客をたくて描かせて頂いた作品です。
自分のモエツボを詰め込んだので2人は(主に)とても苦しめました。

④『君と見る星がきれい』
鉄道が大好きなので登場するもの。
こういうまったりとしたのが好きなのですが、ほどほどにしようと思いはするが…ラブ度がとても低い…

⑤『FLIP FLOP』
初めての前後編です。
文章量のすごくて描きなのでかむずかしいなぁなと描いた。
この主人公が(1)~(4)の主人公が重要になります。
